Hi Aimee,

I left you a message last week, but wanted to follow-up and make sure you had all of the info you need. also, I believe you mentioned that EPA has moved forward with draft permits for the Sinton and Terminal facilities. I would like to update our Draft EIS document with the latest information and dates if I can. If you could give me a call that would be helpful, and I can update the document as needed. Thanks!

Maggy,

Can you give me an update on the timeline for issuing the final EIS on the Cheniere Corpus Christi Projects?

Thanks,
